CCAI does not officially endorse any of the above companies, as none are formally associated with CCAI. The list above is comprised of the most popular courier options in each Consular Zone according to previous CCAI families. Further research will provide additional options for courier services in each Zone.

Please note that walk-in service (either with a courier or by yourself) does NOT produce same-day visas. **The usual processing time for a China visa for US citizens is approximately TEN business days** (+ time for mailing your visa application packet to and from the courier).

Please contact the courier for more information about the visa application requirements and process.
